RE: Recall campaign 07V-568

VIA FAX: 202-366-7882

Attention: Mrs. Kelly Schuler,

Dear Mrs. Schuler,

We have not submitted quarterly reports because there are no reports to submit. We sent the corrected label to all dealers and retail customers of record for installation. We also sent instructions for the proper installation of the label. The retail owners also had the option of taking the label and the unit to their dealer for installation at no charge to them. Since this was not a defective part or assembly, just a mislabeled assembly. We did not require a return notification of installation.

Regards,

William G. Conway Jr.
