

Recall Bulletin**RCL-07-003****DNA**

Date: February 20, 2007

To: Service Manager
Dealer Principal, North American Ducati Dealer Network**Subject: Fuel Pump - Fuel Pump Hose and Retaining Fasteners****Models: Sport Classic PS1000 – S1000 – GT1000 MY 2006 - 07****Important:**

All Dealer Principles, and Service and Parts Managers should read and initial this notice.

Dear Ducati Dealer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

NHTSA Safety Recall I.D. No. 07V-017
Transport Canada Safety Recall I.D. No. 2007011

Ducati Motor Holding S.P.A. has determined that a safety related defect exists on some 2006-2007 M.Y. Ducati motorcycles models listed above.

Description of defect:

Ducati Motor Holding S.P.A. has determined that it is possible that the fuel pump hose inside the fuel tank will come off at the fuel filter end. This condition will stop the fuel pump from supplying fuel, therefore stopping the engine. If the engine stopped while the motorcycle was being driven, it could increase the risk of a crash.

Description of remedy:

Replace the existing fuel hose fasteners with modified ones and torque them to factory specifications.

Customer notification:

Ducati North America, Inc. will notify all known owners of affected vehicles directly by First Class mail. A sample copy of the owner notification letter is enclosed for your information.

Vehicle allocation:

Prior to owner notification, we will furnish you a list of affected vehicles (See attached Affected VIN List)

Limitation on sale or lease of certain vehicles:

Section 154(d) of National traffic and Motor Vehicle Safety Act of 1996 mandates that dealers correct, prior to sale or lease, any vehicle which contains a defect relating to motor vehicle safety. It is therefore mandatory that any vehicle in your inventory affected by this recall be corrected prior to sale or lease.

Auto-ship replacement part:

Ducati North America, Inc. will auto-ship to all authorized Ducati dealers an initial quantity of (2) repair kit part number 69923451A. This repair kit contains two new fasteners and a replacement fuel hose. The servicing dealer must reorder additional replacement kits as needed using the ARCO part ordering system.

Repair instructions:

Remove fuel tank and remove the fuel pump flange assembly. Remove the fuel pump hose connecting the fuel pump and the fuel filter loosening the two fasteners securing the fuel hose. Replace fuel hose and fasteners using the replacement kit part number 69923451A. Tighten the fastener to the fuel pump end to 1.5 to 2.0 Nm and tighten the fastener the fuel filter end to 1.0 to 1.5 Nm of torque.

Special tools:

No special tools are required

Time allowance and reimbursement procedure:

Warranty claim must be submitted in ARCO using the following codes:

- Warranty type: PC
- Subgroup: 3
- Failure code: 074
- Safety factory code: A
- Campaign: BS - RCL603
- Product line: 3
- Subject: 2
- Operation: 048 (.4 hrs.)

All replaced recall campaign parts must be properly tagged and kept available for Service Area Manager inspection.

Campaign authorization:

Ducati North America, Inc. will mail a notification letter to all known owners. If a customer does not present this notification letter, it is important that you confirm the eligibility for recall status on the ORACLE portal (Dealer Bikes, Recall Campaign), before you commence work. Reimbursement requests for duplicate recall campaign repairs will not be accepted.

Dealer obligation:

This program is designed to complete the necessary repairs and to achieve owner satisfaction. Therefore, we ask you to take prompt and courteous action in accordance with these directives.

Please provide a copy of this communication to every person in your dealership who has recall-related responsibilities.

Thank you for your cooperation.

NHTSA Safety Recall Campaign I.D. No 07V-017
Transport Canada Safety Recall Campaign I.D. No. 2007011

Summary of Procedure: On the above referenced models it is necessary to replace the fuel pump hose and the existing fuel hose fasteners inside the fuel tank.

Dear Ducati Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act & Transport Canada.

Ducati Motor Holding S.P.A. has decided that a defect that relates to motor vehicle safety exists in certain Sport Classic PS1000 – S1000 – GT1000 MY 2006-07.

- All Sport Classic listed above were produced between February 10, 2006 and May 31, 2006.

Our records show that you are the owner of a Ducati motorcycle affected by this safety recall campaign notice. Please take the time to read this letter and help us take the appropriate steps to ensure that your vehicle is operating properly.

Description of defect:

Ducati Motor Holding S.P.A. has determined that it is possible that the fuel pump hose inside the fuel tank will come off at the fuel filter end. This condition will stop the engine from running. If the engine stopped while the motorcycle was being driven, it could increase the risk of a crash.

Precautions - Your appointment with your Ducati dealer:

We request that you contact your authorized Ducati dealer as soon as possible and make an appointment so that the required free of charge service can be performed without delay. If you are not the only rider of this motorcycle, please advise all other riders of this important information. You may continue to ride this motorcycle; however, if you chose to do so, do not leave this problem unattended.

Description of Remedy:

Your Ducati dealer will replace the fuel pump to fuel filter hose and relative fasteners.

Service Problem Help:

If you believe that your dealer has failed or is unable to perform the service within a reasonable period of time, please write to:

Ducati North America, Inc.
Attn: Aftersales

TREADACT CUSTOMER REIMBURSEMENT PLAN

Ducati North America, Inc.

If you have paid for the repair described in the attached letter, and you would like to be considered for reimbursement, please contact your authorized Ducati dealer. Expenses from repair facilities outside of authorized Ducati dealer's network will be considered; however, the procedure must meet Ducati North America standards and use Ducati original replacement parts.

Your authorized Ducati retailer will request a copy of your owner notification letter, as well as, a copy of your previously paid invoice, and then inspect the vehicle if still in your possession prior to submitting a claim on your behalf to Ducati North America, Inc. for reimbursement.

Please note the following:

Only a repair subject of this safety recall campaign is reimbursable. Ducati North America, Inc will not reimburse consequential expenses such as towing, rental, accommodations, and damage repairs. Towing expenses up to a maximum amount of US \$200 or Canadian \$300 may be considered as refundable by calling your Road Side Assistance provider toll free: 800-234-1353.

Ducati North America, Inc. will not reimburse for prior repairs that did not utilize Original Ducati Parts.

We anticipate that your authorized Ducati dealer will be able to answer any questions that you may have regarding your qualifications for reimbursement of a previous repair. If you qualify for such a reimbursement, they will be also able to advise you of the manner in which you could receive reimbursement.

We recommend that your authorized Ducati dealer be your primary contact on this issue; however, our Customer Relations Dept. may be contacted at 408-253-0499 for any special assistance required.

We regret any inconvenience to you from this action, however, your safety and satisfaction are important to us and we request that you bring your Ducati motorcycle to your dealer at your earliest convenience.

Thank you for riding Ducati.

Sincerely yours,

Ducati North America
