KING OF THE ROAD
PO BOX 2078
GRAND ISLAND, NE 68802-2078

NVS-215paw
08V-060

SUBJECT: STEERING GEAR SPACER/FREIGHTLINER/ZF

DEAR MR. OSTDIEK:

This letter serves to acknowledge King of the Road's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety defect in the products described below for which a safety recall campaign shall be conducted pursuant to 49 U.S.C. § 30119.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

GENESIS/G40QG/2005-2007

GENESIS/G40QH/2006-2007

GENESIS/G40QI/2007

GENESIS/G40TF/2006-2007

NHTSA Campaign Number: 08V-060

Mfg's Report Date: January 31, 2008

Components: STEERING: GEAR BOX

Potential Number of Units Affected: 20

Summary:

KING OF THE ROAD IS RECALLING 20 MY 2005-2007 GENESIS G40QG, MY 2006-2007 G40QH, G40TF, AND MY 2007 G40QI MOTOR HOMES BUILT ON FREIGHTLINER CHASSIS AND EQUIPPED WITH ZF MODEL 8018 STEERING GEARS. THESE GEARS MAY HAVE BEEN ASSEMBLED WITH THE INCORRECT RECIRCULATING BALL SPACER. THIS COULD POTENTIALLY ALLOW THE RECIRCULATION BALLS TO ESCAPE FROM THE RECIRCULATION BALL CIRCUIT RESULTING IN A LOSS OF STEERING.

Consequence:

THE OPERATOR MAY NOTICE HIGHER REQUIRED STEERING WHEEL INPUTS, OR THE NEED FOR MORE STEERING WHEEL ADJUSTMENTS WHILE DRIVING IN A STRAIGHT LINE IN COMBINATION WITH METALLIC CRACKING NOISES PRIOR TO A LOSS OF STEERING. LOSS OF STEERING COULD RESULT IN A VEHICLE CRASH.

Remedy:

KING OF THE ROAD IS WORKING WITH FREIGHTLINER AND ZF TO REPLACE THE STEERING GEAR (PLEASE SEE 07V343 AND 07E049). OWNERS MAY CONTACT FREIGHTLINER AT 1-800-547-0712 OR KING OF THE ROAD AT 1-308-389-7200.

Notes:

CUSTOMERS MAY ALSO CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 TTY 1-800-424-9153), OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://www.safercar.gov).

This recall was the subject of an Equipment Query, EQ07-004, conducted by the Office of Defects Investigation.

The information in your defect report appears to satisfy the requirements of 49 CFR 573.6.

We have reviewed your proposed owner notification letter and it meets the requirements of Part 577.

Please provide the following additional information and be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in your report, Freightliner will be handling the remedy and quarterly reporting for this campaign. However, please be advised that 49 CFR 573.6 provides that the vehicle manufacturer is responsible for any safety related defect or any noncompliance in the vehicle or any item of original equipment. If Freightliner's campaign is not satisfactory, you may be required to conduct a follow-up notification.

Your contacts for this recall will be Pat Wallace or Delia Lopez, who may be reached by phone at 202-366-5232 or 202-366-9525 or by email at Patricia.wallace@dot.gov, Delia.lopez@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you for successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to be 'G. Person', with a long horizontal line extending to the right.

George H. Person
Chief, Recall Management Division
