RE: **Recall 08V070000**

Dear Associate Administrator:

Pursuant to 49 CFR Part 573, Monaco Coach Corporation (“Monaco” or the “Company”) is submitting this report to NHTSA concerning a safety recall that was previously filed on February 13, 2008 with the following amendments:

573.6(c)(8)

Monaco will be sending a notification letter to all current owners of motorhomes in the recall population. The remedy for the defect will be the replacement of the complete under the hood wiper system with a new model, reusing the wiper arm and blades. This repair will be performed for the owner at no charge.

Copies of the drafts of owner and dealer notification letters will be supplied tomorrow for your approval. Repair instructions and final owner and dealer notification letters will be provided after approved. The Company expects owner and dealer notification to begin in late February 2008 as new parts kits become available from AM Equipment.

Sincerely,

A handwritten signature in black ink that reads "Michael Atkinson". The signature is written in a cursive, flowing style.
