Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. ("Jayco" or the "Company") is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.5(c)(2)

Affected vehicles are Model Year 2008 Jayco models Designer fifth wheels "31RLTS" (SX) manufactured between June 11, 2007 and January 31, 2008.

The recall population was determined from the manufacturing records for the Company's manufacturing plant in Middlebury, Indiana, which produced the affected recreational vehicles.

573.5(c)(3)

A total of one hundred six (106) fifth wheels are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

2007 fifth wheels with a starting VIN of 1UJCJ02R381SS0051 and ending with 1UJCJ02R281SS0185.

573.5(c)(4)

Jayco is recalling 100 percent of the affected model fifth wheels identified in the scope.

573.5(c)(5)

Jayco has identified that the Federal ID Label has the incorrect tire load range and inflation listed.

573.5(c)(6)

Jayco decided to conduct this recall following an internal investigation. Jayco is not aware of any injuries or accidents related to this issue.

573.5(c)(8)

The remedy for the affected travel trailers will involve removing the incorrect Federal ID Label and installing a new corrected Federal ID Label.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is contacting all dealers and retail owners of the affected vehicles. Upon notification Jayco is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,

Sincerely,

A handwritten signature in black ink that reads "David C. VanderMolen". The signature is written in a cursive style with a large, prominent 'D' and 'M'.
