Re: Recall Updates

Dear Mr. Smith:

This letter is being written to update several recalls of Thor Industries' companies. Recalls have been issued by Damon Corporation, Four Winds International, and Champion Bus as a result of recalls that have been issued by Freightliner LLC. Freightliner provides quarterly updates of the response rates of their recalls. When this quarter's data was received it was discovered that more vehicles were affected than originally reported in several recalls. The recalls and all pertinent information are listed below:

<u>Recall #</u>	<u>Company</u>	<u>Total Vehicles Originally</u>	<u>Total Vehicles Revised</u>
08V-009	Four Winds	35	55
08V-034	Four Winds	10	21
08V-054	Damon	126	326
08V-102	Champion	14	45
08V-061	Champion	20	74

All other information contained in these recalls remains the same. If you have any further questions regarding this update please feel free to contact me at 937-596-6849 ext 7363.

Sincerely,

David M. Mihalick
Thor Industries, Standards Compliance Manager
