Dear Sir or Madam:

Pursuant to 49 CFR Part 573, Jayco, Inc. ("Jayco" or the "Company") is submitting this report to NHTSA concerning a recall campaign, which is being voluntarily initiated. Specific information is as follows:

573.5(c)(2)

Affected vehicles are Model Year 2005 - 2008 Jayco Seneca "35GS", and 2007 - 2008 Greyhawk "33DS" and "32SS", motorhomes models manufactured between July 20, 2004 and October 30, 2007.

The recall population was determined from the manufacturing records for the Company's manufacturing plant in Middlebury, Indiana, which produced the affected recreational vehicles.

573.5(c)(3)

A total of Twelve hundred sixty five - (1265) motorhomes are subject to this recall. Specific Vehicle Identification Numbers (VIN) are as follows:

2005 - 2008 Seneca and Greyhawk motorhomes with a starting VIN of 1GBE5U1274F517902 and ending with 1GBG5U1918F401008.

573.5(c)(4)

Jayco is recalling 100 percent of the affected model Seneca and Greyhawk motorhomes identified in the scope.

573.5(c)(5)

Jayco has identified that the conduit clamp on the copper LP tube feeding the slide-out is incorrectly placed which may allow the copper tube to bend and possibly leak with the movement of the slide-out. If the copper tube was to crack, pressurized liquid propane may escape into the compartment. This condition, if not addressed, may result in a fire, injury or death.

RECEIVED

2008 MAY -6 A 10:35

DEFECTS INVESTIGATION  
RECALL MGMT DIV.

573.5(c)(6)

Jayco decided to conduct this recall following an internal investigation. Jayco is not aware of any injuries or accidents related to this issue.

573.5(c)(8)

The remedy for the affected motorhomes is to relocate the conduit clamp and add a rubber grommet to allow adhesion.

Copies of the repair instructions, dealer notification letters, and owner letters will be provided to the agency within 10 business days. Jayco is contacting all dealers and retail owners of the affected vehicles. Upon notification Jayco is prepared to begin dealer notification within 5 business days after approval, and to owner's ten business days subsequent to dealer notification.

Thank you for your assistance,

Sincerely,

David C. VanderMolen
