- C. Basis for Determining that a Defect Exists. The defect was discovered during a review of the information listed on the tag. A review of the information stored on file for each vehicle led to the determination of the beginning and ending production range.
- D. Remedying of Defect. The remedy is to replace the Federal Identification Tag with the correct one supplied by Keystone.
- E. Owner Notifications. Keystone will notify the owners of the recreational vehicles by letter beginning on May 23, 2008 pending NHTSA approval. A final copy of the owner letter will also be provided to NHTSA.
- F. Quarterly Reporting Requirements. Keystone will be filing quarterly reports in connection with this recall campaign.
- G. Campaign Number. Keystone's identification code for this recall is 08-107.

If you need any additional information regarding this recall campaign, please feel free to contact me at 574-537-3925.
