Re: 08V-623 Supplemental information

Dear Mr. Smith:

Kawasaki Motors Corp., U.S.A. provided a Defect Report concerning the 2008 Kawasaki ZG1400 Rear Brake to you on November 20, 2008. This letter will modify some of the information provided in that initial letter.

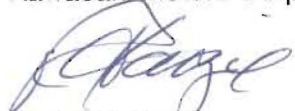

In the process of testing and refining the countermeasure for this matter, Kawasaki Heavy Industries, Ltd., the vehicle manufacturer, has determined that a different approach was needed. This has necessitated postponing the target dates for dealer and customer notifications, which were December 4, 2008 and December 8, 2008, respectively.

Our new target for electronic distribution of the Dealer Recall Bulletin is January 6, 2009. The new target for mailing of the Customer Recall Letter is January 8, 2009.

Please contact me if you have any questions concerning this information.

Sincerely,

Kawasaki Motors Corp., U.S.A.

Roger F. Hagie  
Director, Public Affairs
