IMPORTANT RECALL INFORMATION #80519

June 2008

**TO: ALL FLEETWOOD DEALER PRINCIPALS,
SERVICE MANAGERS
AND PARTS MANAGERS**

**SUBJECT: RECALL CAMPAIGN #80519
2004, 2005, 2006 JAMBOREE GT & TIOGA SL CLASS C
PROPANE PIPE RELOCATION**

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing center located in Riverside, California is requesting your assistance in conducting a voluntary recall notification campaign in accordance with the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., has decided that a defect, which relates to motor vehicle safety exists in certain 2004, 2005 and 2006 Jamboree GT and Tioga SL, 29S model class C motor homes. We are notifying owners in order to correct the problem. A copy of the letter sent to owners is enclosed for your information.

WHAT IS THE PROBLEM?

The black iron propane plumbing, located under the motor home, may come into contact with chassis components and, under certain conditions, become pinched or crushed. This could lead to a propane gas leak and the potential for an explosion and/or fire.

WHAT SHOULD YOU DO?

Owners of the above mentioned motor homes have been asked to contact a Fleetwood dealer to have the described defect remedied. In the event that you are contacted by a customer, please verify eligibility by referring to the serial number range listed in the enclosed Recall Service Bulletin #80519 prior to beginning the repairs.

Once repairs are completed, have the customer sign your dealership's Internal Repair Order and submit your request electronically through e-FDN, or you may also have the customer sign the Fleetwood Repair Order (form X-SR-042) and submit for reimbursement in accordance with Service Bulletin #80519. Customers will not be charged for these repairs.

If you have one of these vehicles in your inventory, you will be mailed a Safety Recall Notice for that specific motor home. Fleetwood is asking our dealers to make repairs to stock units on dealer lots prior to sale or lease.

Federal Law (Section 154 of the National Highway Traffic and Motor Vehicle Safety Act) of 1966 requires that: If you have received a notice of recall or failure to comply from Fleetwood or any component manufacturer, you must repair or otherwise correct the defects on vehicles remaining in your inventory according to the notification, before selling or leasing the vehicles. Any vehicle lessor receiving this recall notice must forward a copy of the notice to the lessee within ten days.

Please review this entire package with your parts and service staff to familiarize them with the step-by-step procedure and implement the Voluntary Safety Recall Campaign.

Thank you for helping Fleetwood with its continuing efforts to maintain customer satisfaction. If you have any questions, please contact your regional Fleetwood Service Center.

Sincerely,

FLEETWOOD ENTERPRISES, INC.
