REASON FOR THIS SAFETY RECALL

SERVICE ACTION

DO NOT DEMONSTRATE OR DELIVER any of the affected vehicles involved in this safety recall. It is expected that a complete Dealer Bulletin will be provided to dealers prior to June 27, 2008 when it is anticipated that parts ordering information and repair instructions will be available to support this safety recall.

CUSTOMER NOTIFICATION

Owners of record will be notified via first-class mail after repair instructions and parts ordering information have been provided to dealers.
