**SUBJECT: Campaign 088 - AIRBAG CONTROL UNIT VINYL COVER INSTALLATION  
AND SIDE AIRBAG CONNECTOR CLIP REPLACEMENT - TSB# 08-01-025**

Hyundai Motor America is conducting a Customer Notification for installation of an Airbag Control Unit Vinyl Cover and Side Airbag Connector Clip Replacement on selected 2001 and 2002 Model Year Elantras.

This campaign provides a procedure for the installation of the Airbag Control Unit Vinyl Cover and Side Airbag Connector Clip Replacement.

In order to identify only those vehicles affected by Campaign 088, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Campaign 088.

Enclosed with the Service Manager's letter are materials, which were developed for your use: Dealer Letter, five (5) copies of the Technical Service Bulletin (TSB#08-01-025) containing instructions on performing the service and submitting the campaign claim, and a VIN listing of your affected vehicles. TSB #08-01-025 will be available on Hyundai's Website on November 19, 2008.

**All Hyundai dealers will be shipped parts for 10% of their affected vehicles in their Weekly Parts Shipment starting the week of November 19, 2008. Additional parts can be ordered from your facing PDC.**

Customer notification letters will be mailed in six weekly flights starting Monday, November 24, 2008.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
