SAFETY RECALL # 08V-138 (STEERING MITER BOX BRACKET)

Dear Millennium Transit Services, LLC Vehicle Owner,

This notice is sent to you in accordance with the requirements of the National Highway and Motor Vehicle Safety Act.

Millennium Transit Services, LLC has decided that a defect which relates to motor vehicle safety exists in certain 2006 model R80THN vehicles equipped with steering miter box brackets manufactured before March 20, 2008. The welds on the steering miter box brackets manufactured before March 20, 2008 were found to be smaller than the required size. Should the welds on these brackets break loose, there would be an increased risk of a crash due to loss of steering and vehicle control.

Millennium Transit Services, LLC is recommending that all steering miter box brackets currently in service be replaced. New steering miter box brackets will be installed on all future production vehicles produced by Millennium Transit Services, LLC.

Your vehicle, identified on the enclosed bulletin, **is affected**. For this reason we ask that you arrange to have the steering miter box brackets replaced without delay. The parts necessary to correct this condition will be provided free of charge and reimbursement for labor should be filed on a warranty claim form and submitted to Millennium Transit Services, LLC Warranty Department, 42 Earl Cummings Loop West, Roswell, NM 88203 or call 1-575-347-7534.

If you had this repair performed before you received this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information contact Millennium Transit Services, LLC Warranty Department, 42 Earl Cummings Loop West, Roswell, NM 88203 or call 1-575-347-7534.

If you have any problem regarding this recall, please contact the Millennium Transit Services, LLC Warranty Department at 575-347-7534. A Millennium Transit Services, LLC representative will arrange for prompt attention to your vehicle.
