SAFETY RECALL NOTICE

May 6, 2008

Dear Yamaha Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Yamaha Motor Corporation, U.S.A., has determined that a defect which relates to motor vehicle safety exists in all 2006 and certain 2007 CP250 ("Morphous") and all 2005, 2006, and certain 2007 YP400 ("Majesty") scooters. Our records show that you own the affected scooter shown on the label above.

The reason for this recall: In affected scooters, the engine could stall and be difficult to restart because the wire terminals in the fuel pump wire coupler have corroded. This is because water can enter from the main wire harness end and run through the harness to the fuel pump coupler. If the water remains in the coupler for an extended period of time, the terminals can become corroded, which can prevent the fuel pump from operating properly. If this corrosion affects fuel pump operation while the scooter is being ridden, there could be an accident resulting in injury or death.

What Yamaha and your dealer will do: To correct this defect, your authorized Yamaha dealer will install a sub-harness which is designed to allow any water between the wire harness and the fuel pump to drain out before it reaches the fuel pump. Your dealer will also inspect the connectors. If either the main wire harness connector or the fuel pump connector is already corroded, the corresponding assembly(ies) will also be replaced. **There will be no charge to you for this procedure.** Installing the sub-harness takes less than 30 minutes for the Morphous model and about 1 hour for the Majesty model, but your dealer may need to keep your scooter longer depending upon their schedule.

What you should do now: Please call your Yamaha dealer to make a service appointment to have this procedure performed. Remember to take this letter with you when you take in your scooter.

You should not ride your scooter until this modification is performed.

If you are unable to return to the Yamaha dealer who sold you the scooter, this service will be performed by any authorized Yamaha Scooter dealer. For the name of a dealer near you, call 1-800-88-YAMAHA or visit the Yamaha web site at: www.yamaha-motor.com.

Federal regulations require that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within 10 days.

If you need help: If, after contacting your dealership, you have questions or concerns which the dealership is unable to answer, please write to:

Yamaha Motor Corporation, U.S.A.
Customer Relations Department
P.O. Box 6555
Cypress CA 90630
or call 1-800-962-7926

If, after contacting Yamaha Customer Relations, you are still not satisfied that we have done our best to remedy the situation without charge and within a reasonable time, you may submit a written complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

If you no longer own this Yamaha: If you have sold your scooter to another party, please call us toll-free at 1-800-227-5963 with the name and address of the new owner, along with the serial number shown above your name on the address label above.

We're sorry to cause you any inconvenience, but we are sincerely concerned about your safety and continued satisfaction with our products. Thank you for giving your attention to this important matter.

Sincerely,

Customer Support Group
