VEHICLE SAFETY DEFECT SERVICE BULLETIN

IMPORTANT

- Your 2005 - 2008 motorhome is involved in a safety recall because the L/P line may crack.
- Schedule an appointment with your Jayco dealer.
- This service will be performed for you at no charge.

NHTSA Recall Campaign # 08V-207

Unit Serial Number: «Serial»

Dear Jayco Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Jayco, Inc. has decided that a defect, which relates to motor vehicle safety, exists in specific model year 2005 - 2008 Jayco Seneca “**35GS**”, and 2007 - 2008 Greyhawk “**33DS**” and “**33SS**”, motorhome models manufactured between July 20, 2004 and October 30, 2007.

Jayco has become aware that the conduit clamp on the copper LP tube feeding the slide-out is incorrectly placed which may allow the copper tube to bend and possibly leak with the movement of the slide-out. If the copper tube would crack, pressurized liquid propane might escape into the compartment below the slide-out. This condition, if not addressed, may result in a fire, injury or death.

The remedy for the affected motorhomes is to relocate the conduit clamp and add a rubber grommet to allow adhesion. If you are unable to perform this repair, please contact Jayco Customer Service at 1-800-283-8267 for assistance.

If you do not have a Jayco dealer near you and you choose to take your unit to a non-Jayco dealer, the non-Jayco dealer must contact us for prior authorization to do the recall repair. We will provide the non-Jayco dealer with the proper repair information and any parts that are

needed. If you have sold or traded your vehicle, or for any reason cannot have this recall service performed, please let us know by completing the information on the enclosed post card and returning it to us promptly. Federal regulations require that any vehicle lessor receiving this notice must forward a copy of this notice to the lessee within **ten days**.

Your Jayco dealer is best equipped to provide service to ensure that your recreational vehicle is corrected as promptly as possible. If, however, you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service department at 1-800-283-8267.

After contacting your Jayco dealer and Jayco Customer Service and you are not able to have the safety defect remedied without charge and/or within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590, SW, Washington, DC 40990; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for this inconvenience. However, we have taken this action in the interest of your safety and continued satisfaction with your Jayco motor home.

Sincerely,

Jayco, Inc.
