IMPORTANT RECALL INFORMATION #80324

June 2008

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in Riverside, California and Paxinos, Pennsylvania has decided that certain 2008 Jamboree Sport and Tioga Ranger, 25G model class C motor homes with the wrap-around booth dinette option, fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 209, "Seat Belt Assemblies".

WHAT IS THE PROBLEM?

On certain 2008 Jamboree Sport and Tioga Ranger 25G model class C motor homes affected by this recall, the seat belts at the two center seating positions located on the wrap-around booth dinette, may be too long to achieve proper adjustment. Lack of adequate seat belt protection increases the risk of personal injury in the event of an accident.

WHAT SHOULD YOU DO?

Please make certain your motor home is inspected and repaired by contacting your selling dealer, and making an appointment to have this inspection and repair performed. If they are not available, another Fleetwood motor home dealer may do this work for you.

WHAT WILL FLEETWOOD DO?

With your continued satisfaction in mind, it is our intention to have these repairs made at your convenience with as little disruption as possible. Effective immediately, Fleetwood dealers will be supplied with all the information needed to enable them to inspect and if necessary, replace the two seat belts.

The total length of time your motor home will be out of service will depend on the dealer's work schedule.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #80324, contact Fleetwood Owner Relations at 800-509-3418.

When you deliver your motor home for repairs, your dealer will complete a Fleetwood Repair Order. Upon completion of the repair, please sign the dealership's Repair Order or Fleetwood's Repair Order and fill out the enclosed self-addressed Vehicle Information Update Card and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provided.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
