SAFETY RECALL NOTICE

Dear Supreme Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Supreme Corporation has determined a defect that relates to motor vehicle safety exists in certain Spartan Service and Cargo Bodies manufactured between January, 2006 to June, 2008.

! I M P O R T A N T !

Your Spartan Service and or Spartan Cargo body is being recalled.

You should contact your nearest or local dealer to make arrangements to schedule your vehicle for repair. Attached is a list of shops approved by Supreme Corporation to perform this repair.

This recall notice applies to a potential defect in the bonding of the roof skin to roof rail extrusion and roof rail extrusion to side wall. There is a potential that while the vehicle is in operation parts of the roof skin or roof itself could delaminate or dislodge. A potential for death or serious injury exists to other vehicles or the general public should any part of your vehicle become unbonded.

A remedy free of charge is available for your vehicle and the repair shops (see attached list) have the repair procedure to repair your vehicle. The repair procedure will take approximately 1hr. to complete. The repair involves adding smooth aluminum rivets to the outer edge of the roof perimeter. Additionally, fasteners will also be added through the rear roof castings and also to the lower leg of the roof rail through the FRP walls at the sides.

If you no longer own the vehicle please forward any bill of sale or transfer of title information to Supreme Corporation. Our mailing address is:

Or call Toll Free – 1-800- 557-2785 between the hours of 8:00 a.m. to 4:30 p.m. Monday

through Friday Eastern Standards Time.

If you have already paid to have your roof skin, roof rail extrusion or roof rail extrusion to side wall repaired for this condition, you may be eligible for reimbursement of the charges you paid for the repair or replacement, as applicable. To learn more about what you need to do to obtain reimbursement, follow the enclosed instructions or again, call 1-800-557-2785 between the hours of 8:00 a.m. to 4:30 p.m. Monday through Friday Eastern Standards Time.

If after attempting to have your vehicle repaired you believe you have not been able to have your vehicle remedied without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C., 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

We apologize for any inconvenience this safety recall may cause, but your safety is our first concern.

Sincerely,

Kevin Walker
