IMPORTANT RECALL INFORMATION #80724

August 2008

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in Riverside, California and Paxinos, Pennsylvania has decided that a defect which relates to motor vehicle safety exists in certain 2008 model year Terra and Fiesta model motor homes.

WHAT IS THE PROBLEM?

On Terra and Fiesta model motor homes affected by this recall, the Battery Control Center (BCC) miscellaneous wire harness is routed between framing at the drivers wheel well and the front leveling jack. This routing can cause the wires to be pinched resulting in shorted or open circuits which could lead to blown fuses, house component non-operation and may result in a fire.

WHAT SHOULD YOU DO?

Due to safety related reasons and the potential for a fire, please make certain your motor home is immediately inspected and repaired by contacting the dealer who sold you the motor home and making an appointment to have this repair performed. If they are not available, another Fleetwood motor home dealer may do this work for you.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information contact Fleetwood Owner Relations at (800) 509-3418.

When you deliver your motor home for repairs, your dealer will complete a **Fleetwood Repair Order**. Upon completion of the repair, please sign the dealership's Repair Order or Fleetwood's Repair Order and fill out the enclosed self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

For leased vehicles - Any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
