Safety Recall #2003-040005

November, 2008

Dear Mercedes-Benz Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

In 2003 Daimler AG (DAG) decided that a defect relating to motor vehicle safety existed in certain Model Year 1998-2003 M-Class vehicles. Specifically, DAG determined that M-Class vehicles in this group had a hose clamp used to secure the power steering fluid cooling hose to the power steering fluid cooler which might not provide sufficient clamping force for this connection and required replacement. A loss of power steering fluid may result in diminished power assist for steering the vehicle and ultimately can also damage the power steering pump. This could result in a loss of control and a crash without warning.

Mercedes-Benz USA, LLC (MBUSA) therefore initiated a voluntary recall of these vehicles. Our records indicate that your vehicle was included in this group and was previously repaired under this recall campaign.

The earlier recall repair performed on your vehicle may not be sufficient to prevent a future leakage or failure of this power steering hose connection. Therefore, MBUSA is reopening this campaign on your vehicle and requests that you bring in your vehicle for repair. WE SENT YOU THIS NOTICE BECAUSE WE ARE CONCERNED ABOUT YOUR SAFETY.

Your authorized Mercedes-Benz dealer is available to provide this service to correct the situation described above. This service will be provided free of charge. The working time required is approximately 1 hour. As a matter of normal service process, your authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time. Please contact your authorized Mercedes-Benz dealer for additional information and to schedule an appointment at your earliest convenience. Please mention Recall Campaign #2003-040005.

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return the complete letter in the enclosed envelope. Please contact your authorized Mercedes-Benz dealer should you have any questions or encounter any difficulty regarding this recall. If your dealer is unable to remedy your situation please contact us at 1-(800) FOR-MERCEdes (1-800-367-6372).
