## SAFETY RECALL G-08510

MARCH 2009

Dear INTERNATIONAL® Customer,

This notice is being sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Navistar has decided that a defect which relates to motor vehicle safety exists in certain ProStar models built 6/1/06 thru 10/15/08 and certain LoneStar models built 11/14/07 thru 10/6/08.

### **REASON FOR THIS RECALL**

The service brake line that runs from the tractor protection valve to the fast brake module may separate from the fast brake module.

### **RISK TO MOTOR VEHICLE SAFETY**

If the service brake line separation occurs, the trailer service brakes would not apply which may result in a crash possibly causing property damage, personal injury, or death.

### **ACTIONS YOU SHOULD TAKE**

Please contact your local INTERNATIONAL® dealer to schedule an appointment to have your vehicle repaired. Your nearest dealer may be located by calling 1-800-448-7825 or by visiting <http://www.navistar.com>.

The repair will involve replacement of the fast brake module and rerouting the trailer emergency and service brake lines.

Dealers will have parts and instructions to repair your vehicle by 3/13/09.

This repair will be performed free of charge and may take approximately 60 minutes to complete.

### **IF YOU DO NOT OWN THIS VEHICLE**
