

OWNER'S LETTER

Dear Nissan [Frontier/Xterra/Pathfinder] owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in some 2005-2009 [Frontier/Xterra/Pathfinder] vehicles. Our records indicate that you own the Nissan vehicle identified by the Vehicle Identification Number on the cover of this notice.

Reason for Recall

In those areas of the country which use heavy concentrations of road salt in the winter ("Salt States"), a mixture of snow/water and salt can enter into the front crash zone sensor (CZS) housing during continuous driving. As a result, corrosion can occur and the CZS may internally rust resulting in a signal interruption. If this happens, the red air bag warning light will illuminate to alert the vehicle operator. This could result in the driver and passenger front air bags not inflating in a crash.

Below are states that regularly use road salt in winter:

Connecticut	Maine	New Hampshire	Vermont
Delaware	Maryland	New Jersey	West Virginia
District of Columbia	Massachusetts	New York	Wisconsin
Illinois	Michigan	Ohio	
Indiana	Minnesota	Pennsylvania	
Iowa	Missouri	Rhode Island	

According to our records, your vehicle is currently registered in one of these states.

What Nissan Will Do

Your Nissan dealer will replace the CZS with a new, more robust sensor. This service, free for parts and labor, can take up to 1 hour to complete, but your Nissan dealer may require your vehicle for a longer period of time based upon their work schedule, or parts availability.

What You Should Do

Contact your Nissan dealer at your earliest convenience in order to arrange an appointment to have your CZS replaced. Please bring this notice with you to your service appointment. Instructions have been sent to your Nissan dealer.

If the red air bag warning light in your vehicle comes on and remains continuously illuminated, please take your vehicle to the dealership as soon as possible. If the dealer fails, or is unable to make the necessary repairs free of charge, you may contact the National Consumer Affairs Department, Nissan North America, Inc., P.O. Box 685003, Franklin, TN 37068-5003. The toll free number is 1-800-NISSAN1 (1-800-647-7261). You may also contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, SE., Washington, DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Federal law requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

Thank you for your cooperation. We are indeed sorry for any inconvenience this may cause you.
