Re: NHTSA # 08V-269 for Daimler Trucks (Freightliner) NHTSA # 08E-031 for SAF
Holland

Subject: SAF Holland ADL Suspension Transverse Beam Welds

Total Tiffin units involved : 393

2008 Phaeton - 288
2009 Phaeton - 6
2008 Bus - 94
2009 Bus - 5

Tiffin understands that Daimler Trucks (Freightliner) will be notifying the customers and all quarterly reports will be sent in by them. Tiffin also understands that we will not be filling out 573 paperwork, therefore, we will not have a NHTSA number. Please correct us if this is incorrect.
