Pat,  
Thanks for the acknowledgement. We have received some additional info since I sent you the defect report. The population of coaches has been reduced to 7 Foretravel coaches total down from 17.

The following changes need to be made:

**Makes/Models/Model Years:**  
FORETRAVEL/NIMBUS/2006-2007  
FORETRAVEL/U320/2002  
FORETRAVEL/U270/2002-2003  
FORETRAVEL/U320/2000

**Potential Number of Units Affected: 7**

**Summary:**  
FORETRAVEL IS RECALLING 7 MY 2000, 2002 U320, MY 2002-2003 U270, AND MY 2006-2007 NIMBUS MOTOR HOMES EQUIPPED WITH A TWO-DOOR REFRIGERATOR MANUFACTURED BY THE DOMETIC CORPORATION. THE REFRIGERATOR MAY HAVE A DEFECT IN THE BOILER TUBE. PRESSURIZED COOLANT SOLUTION COULD BE RELEASED INTO AN AREA WHERE AN IGNITION SOURCE (GAS FLAME) IS PRESENT.

Please let me know if I need to send a new defect report.

Sincerely,

*Mark Harvey*
