Re: Chrysler LLC Safety Recall H27

Dear Associate Administrator:

Monaco Coach Corporation has reviewed the documentation provided by Chrysler LLC concerning Safety Recall H27 (NHTSA recall 08V352000). Three affected chassis were supplied to Monaco Coach Corporation by Chrysler LLC and are within the manufacturing process at Monaco Coach Corporation. There are no coaches that have been completed or released to dispatch with the affected chassis. Monaco Coach Corporation will have Chrysler LLC repair all three affected chassis before the vehicles will be released from the manufacturing process to dispatch.

Monaco Coach Corporation will not be conducting a Safety Recall Campaign and considers this matter closed. If you should have any further questions concerning this recall, please feel free to call me at 800-685-6545.

Sincerely,

Angela Brooks
Recall Administrator
