RE: Recall Campaign 08V-686

Pat,

I have received a telephone call today from our dealer in Wisconsin, verifying he has completed the required rectification and has replaced the pannier rails to the final Rocket III touring model in the United States.

This letter is to certify that all 8 Rocket III Touring motorcycles in the U.S. have now been completed, and this campaign is now 100% completed.

Certified true and correct

A handwritten signature in black ink that reads "SHELL BARR". The signature is written in a cursive, flowing style.
