IMPORTANT RECALL INFORMATION #90305

April 2009

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing centers located in Riverside, California and Paxinos, Pennsylvania has decided that certain 2009 model year Tioga and Jamboree 31M model class C motor homes fail to comply with the requirements of the Code of Federal Regulations, Part 567, "Certification".

WHAT IS THE PROBLEM?

Fleetwood Enterprises, Inc., has become aware of a fresh water tank capacity input error. The Manufacturer Federal Certification tag and the Cargo Carrying Capacity tag were printed with an incorrect fresh water tank capacity of 50 gallons. The correct fresh water tank capacity is 35 gallons.

WHAT SHOULD YOU DO?

Deface the original Manufacturer Federal Certification tag and Cargo Carrying Capacity tag and replace them with the new serial number specific Manufacturer Federal Certification tag and Cargo Carrying Capacity tag that are enclosed with this letter. You can locate the Manufacturer Federal Certification tag and the Cargo Carrying Capacity tag on the inside sidewall just behind the driver's seat. **Note: Please peel the backing before applying over the defaced originals.**

After you have completed this procedure, please return the enclosed self-addressed **Vehicle Information Update Card** to Fleetwood.

If you do not feel comfortable installing these tags, you may take your motor home to any Fleetwood dealer and they will perform this service at no charge to you.

When you deliver your motor home for repairs, your dealer will complete a **Fleetwood Repair Order**. Upon completion of the repair, please sign the dealership's Repair Order or Fleetwood's Repair Order and fill out the enclosed self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle Information Update Card** and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #90305, contact Fleetwood Owner Relations at 800-509-3418.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
