Re: Crossroads RV
Defect and Non-Compliance Report

Dear Mr. Smith:

This letter is a revision to an earlier submission by Crossroads RV for recall 09V-136. After further investigation Crossroads has found that more vehicles than originally reported contain the non-compliance. Following is the updated information.

Crossroads RV has identified a vehicle non-compliance with FMVSS 108 in certain Crossroads RV fifth wheels and travel trailers manufactured between September 2004 and February 2009.

Pursuant to Part 573 of Title 49 of the Code of Federal Regulations, we are hereby notifying the National Highway Traffic Safety Administration that certain vehicles manufactured by Crossroads RV were built without rear reflex reflectors.

- A. Recall Population and Vehicle Identification. The fifth wheels and travel trailers built with the non-compliance are as follows:

<u>Model Name</u>	<u>Model Years</u>
Cross Terrain	2005, 2006, 2007, 2008 2009
Crossforce	2006, 2007, 2008 2009
Zinger Crossfire	2006, 2007, 2008

The total number of vehicles subject to this recall campaign is 1018.

- B. Description of Defect. The fifth wheels and travel trailers were built without rear reflex reflectors. Crossroads RV's rear lighting did not contain the integral reflectors as required by FMVSS 108 and additional reflectors were not provided. 100% of the fifth wheels and travel trailers subject to this recall campaign were built without the reflectors.

- C. Basis for Determining that a Defect Exists. Crossroads RV discovered this non-compliance during a routine compliance audit. There are no known injuries or accidents that have been reported to Crossroads RV as a result of this non-compliance.
- D. Remedying of Defect. The recall campaign by Crossroads RV to remedy the non-compliance is to send separate reflectors to the affected customers and dealers with instructions for proper installation. Customers will have the option of installing the reflectors or taking the travel trailer to the nearest Crossroads RV certified dealer. This will be done at no charge to the affected customers.
- E. Owner Notifications. Crossroads RV will notify all registered owners of the travel trailers. A copy of the Owner notification letter will be forwarded shortly for approval.
- F. Dealer Notifications. Crossroads RV will notify all Crossroads RV dealers of the non conformance and provide them with repair procedures. The Dealer notification letter will be forwarded shortly for approval.
- G. Quarterly Reporting Requirements. Crossroads RV will be filing quarterly reports as required by Part 573.7 of Title 49 the Code of Federal Regulations.
- H. Campaign Number. Crossroads RV does not have an internal campaign number for this recall. Crossroads RV will use the recall campaign number assigned by NHTSA.

The enclosed information should comply with the NHTSA regulations and satisfy the obligations of Crossroads RV with respect to this recall campaign. If you need any additional information regarding the participation of Crossroads RV in this recall campaign, please feel free to contact David Mihalick at 937-596-6849, Ext. 7363. or Randy Nielsen, Crossroads RV, at 888.226.7496.
