Dear Ms. DeMeter:

Winnebago Industries, Inc. submits the following report pursuant to Part 573 of the NHTSA regulations. The numbered paragraphs below correspond to those found at Part 573.6(c).

1. Winnebago Industries, Inc.  
605 W. Crystal Lake Road  
Forest City, IA 50436
2. The motor vehicles containing the noncompliance are on certain: 2010 Model Year Winnebago® View and Itasca Navion motor homes.  
These motor homes were manufactured November 12, 2009 through December 16, 2009. The vehicles were identified using production records showing models and VINs.
3. The total number of vehicles potentially containing the noncompliance is: 25 ( 12 units were shipped and require this recall; 13 vehicles had this recall performed prior to shipment ).
4. It is estimated that 100 percent of the vehicles contain the noncompliance.
5. Winnebago Industries, Inc. has decided a non-compliance to FMVSS 207 exists in certain motor home driver and passenger seats. The seats are missing a reinforcing plate.
6. N/A
7. Winnebago Industries, Inc discovered this noncompliance when our manufacturing facility alerted our product safety department that this part was not installed on some units.
8. Winnebago Industries, Inc. will remedy this non-compliance by installing a new seat swivel allowing the seats to conform to FMVSS 207.. Winnebago Industries® estimates the dealer letter will be mailed on or about January 15, 2010. The owner letter if applicable will be mailed two weeks later.
9. Enclosed is a copy of the dealer letter in draft form.
