RE: NHTSA Recall 09V-123, Hyundai Recall 090

Dear Mr. Smith:

Hyundai Motor Company previously submitted a Defect Information Report to NHTSA regarding a recall campaign of model year 2001 through some 2003 Hyundai Santa Fe vehicles (NHTSA Recall Number 09V-123) pursuant to Part 573 of Title 49 of the Code of Federal Regulations.

The affected number of units has been revised based upon information gathered from state motor vehicle registration records. Hyundai had projected in the Part 573 notification that 85,045 Santa Fe vehicles were potentially affected. The affected quantity has been revised to 83,355 Santa Fe vehicles.

Owner notification will begin on July 17, 2009.

Enclosed for NHTSA's files are a final copy of the owner notification letter, a final copy of the Technical Service Bulletin, and letters to dealers.

Sincerely,

Robert Babcock
Senior Manager, Regulation and Certification Department

//ALL 07/10/2009 12/31/2009
TO: Hyundai Dealership General Managers, Sales Managers,
Service Managers, Parts Managers, and Warranty
Administrators
FROM: Hyundai Motor America
DATE: July 10, 2009
SUBJECT: **Recall Campaign 090 - Rear Trailing Arms and Front
Subframe Corrosion - TSB# 09-01-021**

Hyundai Motor America is conducting a Customer Notification for the inspection and rust-proofing treatment or replacement of the rear trailing arms and front subframe on certain 2001 - 2003 model year Santa Fe vehicles.

This campaign provides a procedure for the inspection and rust-proofing treatment or replacement of the rear trailing arms and front subframe.

In order to identify only those vehicles affected by Campaign 090, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Campaign 090.

Dealer Letter, Customer Letter, and Technical Service Bulletin #9-01-021 will be posted on Hyundai's Website July 10, 2009.

All Hyundai dealers in the Salt Belt States will be shipped a supply of the following materials in their weekly parts shipments as part of the Subframe/Trailing Arms/Control Arm campaigns:

1. Tool kit(s)
2. Chemical kit - additional chemicals can be ordered from your facing PDC when more chemicals are required.

Customer notification letters will be mailed in weekly flights starting Friday, July 17, 2009.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential any and all information and documents provided to you by Hyundai Motor America in the conduct of carrying out work for this recall campaign. Hyundai Motor America dealers may use owner information provided for the recall campaign only for the purpose of conducting and performing this recall campaign, and for no other purpose.

Hyundai appreciates your cooperation and support. Questions may be directed to your District Parts and Service Manager or Warranty HELPREP line at 1-877-446-2922.
