October 1, 2009

IMPORTANT: Safety Notice

SAFETY – RECALL

Dear Final Stage Manufacturer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Spartan Motors Chassis, Inc. has decided a defect that relates to motor vehicle safety may exist in certain fire truck cab and chassis manufactured with the supplemental side restraint system (RollTek™).

What Products Are Affected?

Spartan Chassis installed RollTek™ system in certain fire truck chassis models between 16JAN06 and 10AUG09.

What is the problem?

Air bags associated with the supplemental restraint system may inadvertently deploy.

What are the risks to motor vehicle safety?

During an inadvertent deployment of an air bag, injury to cab occupants, or a vehicle crash could occur.

What should the final stage manufacturer do?

On the attached document, you will find a list of chassis, which may have the RollTek™ System; Spartan Chassis has sold to you. If you agree the identified chassis, contains a safety defect, you are reminded of your responsibility to notify the National Highway Traffic Safety Administration (NHTSA) in accordance with 49CFR573. It is a violation of federal regulation to sell a vehicle subject to a safety recall without the recall first being remedied.

Contact Spartan Chassis for replacements parts.

SPARTAN CHASSIS, INC.

1000 REYNOLDS RD • CHARLOTTE, MI 48813 • 517.543.6400

What will Spartan Chassis do?

Spartan Chassis will allow a maximum of 2.5 hours replacement. Replacement parts are available and will be supplied to you at no charge.

For questions regarding warranty claims, please call 800-543-5008 Option 4.

We regret any inconvenience this situation may cause. Spartan Chassis is committed to customer safety and satisfaction.

Sincerely,

Wes Chestnut
