**TO: ALL FLEETWOOD DEALER PRINCIPALS,
SERVICE MANAGERS,
AND PARTS MANAGERS**

**SUBJECT: RECALL CAMPAIGN #91209FRV
2010 JAMBOREE SPORT & TIOGA RANGER 25G CLASS C
LPG SUPPLY LINE RELOCATION**

Fleetwood RV, Inc., on behalf of its subsidiary manufacturing centers located in Decatur, Indiana and Riverside, California, is requesting your assistance in conducting a voluntary recall notification campaign in accordance with the National Traffic and Motor Vehicle Safety Act.

Fleetwood RV, Inc. has decided that a defect, which relates to motor vehicle safety, exists in certain 2010 Jamboree Sport and Tioga Ranger 25G model Class C motor homes. We are notifying owners in order to correct the problem. A copy of the letter sent to owners is attached for your information.

WHAT IS THE PROBLEM?

On certain model year 2010 Jamboree Sport and Tioga Ranger 25G model motor homes, the LPG supply line routed through the rear wheel well may come in contact with the chassis spring assembly causing damage to the LPG supply line. The damaged LPG supply line may result in a propane gas leak and could result in a fire.

WHAT SHOULD YOU DO?

Owners of the above mentioned motor homes have been asked to contact a Fleetwood dealer to have the described defect remedied. In the event that you are contacted by a customer, please verify eligibility by referring to the serial number range listed in the attached Recall Service Bulletin #91209FRV prior to beginning repairs.

Once repairs are completed, have the customer sign your dealership's Internal Repair Order and submit your request through e-FDN. Customers will not be charged for these repairs.

If you have one of these vehicles in your inventory, you will be mailed a Safety Recall Notice for that specific motor home. Fleetwood is asking our dealers to make repairs to stock units on dealer lots prior to sale or lease.

Federal Law (Section 154 of the National Highway Traffic and Motor Vehicle Safety Act) of 1966 requires that: If you have received a notice of recall or failure to comply from Fleetwood or any component manufacturer, you must repair or otherwise correct the defects on vehicles remaining in your inventory according to the notification, before selling or leasing the vehicles. Any vehicle lessor receiving this recall notice must forward a copy of the notice to the lessee within ten days.

Please review this entire package with your parts and service staff to familiarize them with the step-by-step procedure and implement the Voluntary Safety Recall Campaign.

Thank you for helping Fleetwood with its continuing efforts to maintain customer satisfaction. If you have any questions, please contact your Fleetwood Service Center.

Sincerely,

Fleetwood RV, Inc.
