Dear Mr. Johnson:

We have completed a review of the quarterly report status for the first quarter of 2011. According to our records, Labrie Environmental Group's safety recall campaign began on October 23, 2009. To this date, we have only received the first report for this recall. We are missing quarterly reports 2 through 6.

If you believe that you sent in these reports, please provide copies. If you believe that no reports are required, please explain the reason. Please provide your response by July 6, 2011.

You may fax the report to Mrs. Kelly Schuler at 1-202-366-7882, or email her at Kelly.Schuler@dot.gov. If you have any questions concerning this matter, please contact Kelly at 1-202-366-5227.

Sincerely,
