**Re: Recall Campaign
Fuel Pump Control Unit
2006 - 2008 BMW R1200 GS and R1200 GS Adventure Motorcycles
Remedy Schedule**

Dear Mr. Smith:

With reference to the safety-related recall identified above, and assigned NHTSA identifier "09V-319", we are providing the following remedy schedule specifics.

Dealer Notification

Dealer notification is expected to occur during the week of 28 September.

Parts Logistics

Sufficient parts have been imported, and have been distributed to BMW parts distribution centers, in order for the campaign to begin.

Customer Contact

Assuming NHTSA approval of BMW's draft Part 577 letter during the week of 28 September, customer contact information could be retrieved the same week. Customer letters could be produced during the following week (week of 5 October), and subsequently mailed the next week (week of 12 October).
