

IMPORTANT RECALL INFORMATION #90508

Dear Valued Fleetwood Motor Home Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Fleetwood Enterprises, Inc., on behalf of its subsidiary manufacturing center located in Decatur, Indiana has decided that certain 2009 model year Tradition model class A motor homes fail to comply with the requirements of the Code of Federal Regulations, Part 567, "Certification".

WHAT IS THE PROBLEM?

Fleetwood Enterprises, Inc., has become aware of a **Towed Weight** and **Tongue Weight** input error. On motor homes affected by this recall, the Manufacturer Federal Certification tag figures related to the **Towed Weight** of 7,500 lbs. and the **Tongue Weight** of 15,000 lbs. are incorrect. The correct **Towed Weight** is 15,000 lbs. The correct **Tongue Weight** is 1,500 lbs.

A misprinted label could lead to failure to follow proper vehicle loading specifications. Overloading could damage the vehicle, adversely affecting vehicle performance including handling and braking, increasing the risk of a crash.

WHAT SHOULD YOU DO?

Deface the original Manufacturer Federal Certification tag and replace it with the new serial number specific Manufacturer Federal Certification tag that is enclosed with this letter. You can locate the Manufacturer Federal Certification tag on the inside sidewall just behind the driver's seat. **Note: Please peel the backing before applying over the defaced originals.**

After you have completed this procedure, please return the enclosed self-addressed **Vehicle Information Update Card** to Fleetwood.

If you do not feel comfortable installing these tags, you may take your motor home to any Fleetwood dealer and they will perform this service at no charge to you.

When you deliver your motor home for repairs, your dealer will complete a **Fleetwood Repair Order**. Upon completion of the repair, please sign the dealership's Repair Order or Fleetwood's Repair Order and fill out the enclosed self-addressed **Vehicle Information Update Card** and return it to Fleetwood.

If you have changed your address or sold the motor home, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed **Vehicle**

Information Update Card and return it to Fleetwood. This will allow us to update our records and if necessary, notify the new owner using the information you provide.

If you have had this concern corrected previously, you may be eligible for reimbursement of your cost for that repair. For more information regarding this recall #90508, contact Fleetwood Owner Relations at 800-509-3418.

For leased vehicles: Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

If you are unable to obtain the specified repair promptly and without charge, please contact:
