**Safety Recall 2010-040002
Sprinter Engine Intake Manifold**

June, 2010

Dear Sprinter Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daimler AG (DAG), the manufacturer of Sprinter vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year 2002-2003 Sprinter vehicles with regard to the Engine Intake Manifold. Daimler Vans USA, LLC therefore has initiated a recall of these vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

WE SENT YOU THIS NOTICE BECAUSE WE ARE CONCERNED ABOUT YOUR SAFETY.

Daimler AG (DAG) has determined that the engine intake manifold on your vehicle may develop corrosion in the Exhaust Gas Recirculation (EGR) portion of the engine intake manifold due to the high-sulfur content of certain diesel fuel. This situation could lead to exhaust gas leakage onto the fuel return line and/or dash panel silencer pad. If hot exhaust gases come into contact with either of these components, there is a potential for a fire in the engine compartment.

Your authorized Freightliner dealer will remedy this condition by replacing the engine intake manifold. This service will be provided free of charge. The working time required is approximately 5 hours. As a matter of normal service process, your authorized Freightliner dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time. Please contact your authorized Freightliner dealer for additional information and to schedule an appointment at your earliest convenience. Please mention Recall Campaign #2010-040002. Please visit your authorized Freightliner dealer to have this recall repair performed.

If you are no longer the vehicle owner, or have a change of address, please complete the reverse side of this letter and return the complete letter in the enclosed envelope. If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee. If you have paid to have this recall condition corrected prior to this notice you may be eligible to receive reimbursement. Please see the reverse side of this notice for details.

Please contact your authorized Freightliner dealer should you have any questions or encounter any difficulty regarding this recall. If your dealer is unable to remedy your situation please contact us at 1-877-762-8267.

If an authorized Freightliner dealer or Daimler Vans USA, LLC, fails or is unable to perform this service without charge within 60 days, pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <http://www.safercar.gov>.
