Subject: Safety Defect and Noncompliance Notification Campaign 09V-156 – Quarterly Report.

Dear Ms. Lopez:

In accordance with 49 CFR 573.7 - Quarterly reports, Petersen Industries submits the following information for the reporting period ending 30 Jun 09:

(b)(1) Notification campaign number: **09V-156.**

(b)(2) The date notification began: **20 Apr 09.**

Date completed: **Est. completion 30 Sep 09.**

(b)(3) The number of items of equipment involved in campaign: **123.**

(b)(4) The number of equipment items which have been inspected and repaired: **To date, approx. 60 sets of replacement parts have been sent and installed regardless of inspection results.**

Number of equipment items inspected and determined not to need repair: **0. Not all head assemblies will be inspected. All head assemblies will be replaced by the end of the recall program regardless of inspection results.**

(b)(5) The number of items of equipment determined to be unreachable for inspection due to export, theft, scrapping, failure to receive notification, or other reasons: **1. See below.**

Export: **0.**

Theft: **0.**

Scrapping: **0.**

Failure to receive notification: **1. (Vehicle sold by original owner to unknown party. Current location is unknown.)**

Other: **0.**

(b)(6) In reports by equipment manufacturers, the number of items of equipment repaired and/or returned by dealers, other retailers, and distributors to the manufacturer prior to their first sale to the public: 0.

(b)(7) Tire Recalls: N/A.

We estimate all replacements will be complete in mid-October 2009.

Regards,
