Subject: Safety Defect and Noncompliance Notification Campaign 09V-156 — Quarterly Report.

Dear Ms. Lopez:

In accordance with 49 CFR 573.7 - Quarterly reports, Petersen Industries submits the following information for the reporting period ending 30 Nov 2010:

(b)(1) Notification campaign number: **09V-156.**

(b)(2) The date notification began: **20 Apr 09.**
Date completed: **30 Nov 10.**

(b)(3) The number of items of equipment involved in campaign: **123.**

(b)(4) The number of equipment items which have been inspected and repaired: **To date, 122 sets of replacement parts have been sent and installed regardless of inspection results.**

Number of equipment items inspected and determined not to need repair: **0. Not all head assemblies will be inspected. All head assemblies will be replaced by the end of the recall program regardless of inspection results.**

(b)(5) The number of items of equipment determined to be unreachable for inspection due to export, theft, scrapping, failure to receive notification, or other reasons: **1. See below.**

Export: **0.**

Theft: **0.**

Scrapping: **0.**

Failure to receive notification: **1. (Vehicle sold by original owner to unknown party- Current location is unknown.)**

Other: **0.**

(b)(6) In reports by equipment manufacturers, the number of items of equipment repaired and/or returned by dealers, other retailers, and distributors to the manufacturer prior to their first sale to the public: 0.

(b)(7) Tire Recalls: N/A.

This completes the 6th and final quarterly reporting for this issue. All recalled items, with the exception of 1, have been replaced or are in the process of being replaced at Petersen Industries expense.

Regards,
