Pursuant to Part 573 of Title 49 of the Code of Federal Regulations - Defect and Noncompliance Reports, Collins Bus Corporation is submitting information relating to a safety recall we are conducting. Specific information is as follows:

573.6(b)(1)

This is the 1st quarter report regarding Recall Number 09V-472

573.6(b)(2)

The initial notification began and completed January 14, 2010

573.6(b)(3)

This recall involves (sixty three) Collins Ford and Chevy Grand Bantam and Super Bantam built on 2008 and 2009 chassis and Mid Bus Ford and Chevy Grand Guide and Super Guide School Busses built on 2008 and 2009 chassis, manufactured by Collins Bus Corporation February 1, 2008 through September 30, 2009. The subject buses were built with a Braun NCL917IB-2 Century wheel chair lift installed. This lift may not comply with FMVSS 404. The toe stop inner barrier and platform may not be adjusted correctly. Which could result in the unit being able to move to the stow position while occupied possibly resulting in serious injury or death. These adjustments are required to insure safe use of the lift. Customers were instructed to call Collins Bus for assistance in finding the nearest certified Braun dealer to perform the inspection and or repair.

573.6(b)(4)

To date, we have received confirmation that none (0) of the buses have been inspected or repaired. Sixty three (63) buses remain open for inspection or repair.

573.6(b)(5)

To date, we have determined none of the buses to be unreachable for inspection.
