This recall is the result of an investigation, PE09-053, conducted by the Office of defects Investigation.

The information in your defect report appears to satisfy the requirements of 49 CFR 573.6 except for the following items:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within 30 days after the close of the calendar quarter in which the campaign was initiated. Thereafter, quarterly reports will be due on or before 30 days after close of the calendar quarter.

Your contact for this recall will be Kelly Schuler, who may be reached by phone at 202-366-5227, by email at Kelly.Schuler@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you for the successful completion of this recall campaign.

Please note that we have separated your report into two recall files. This has been done because beginning in 2010, RMD will closely monitor the completion of school bus recalls and must be able to create analysis of school bus recall data. You will also be required to file separate quarterly status reports for the school bus population under the applicable recall number. We trust that this does not present an insurmountable task for you and that you appreciate the need to ensure that school bus recalls are completed promptly. If you have any questions about this policy, please feel free to call me at (202) 366-5210.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Person". The signature is fluid and cursive, with a large initial "G" and a long, sweeping tail.
