MR. MIKE SWEITZER
QUALITY SUPERVISOR
ELKHART COACH
52807 COUNTY ROAD 7
ELKHART, INDIANA 46514

NVS-215dgl
10V-128

SUBJECT: WHEELCHAIR LIFTS/INTERLOCK BELT

DEAR MR. SWEITZER:

This letter serves to acknowledge Elkhart Coach's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall campaign which will be conducted pursuant to Federal law for the vehicles listed below.

Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years: To be provided

NHTSA Campaign Number: 10V-128

Mfg's Report Date: March 26, 2010

Components: EQUIPMENT ADAPTIVE

Potential Number of Units Affected: 41

Summary:

ELKHART COACH HAS NOTIFIED NHTSA OF A DEFECT IN CERTAIN TRANSIT BUSES FITTED WITH RICON PUBLIC USE LIFTS. THE RESTRAINT BELT ON THESE LIFTS WAS DESIGNED TO PREVENT THE LIFT FROM MOVING, UNLESS THE TONGUE OF THE BELT IS FULLY ENGAGED AND LATCHED IN THE BUCKLE. RICON HAS DISCOVERED, HOWEVER, THAT IT IS POSSIBLE FOR THE OPERATOR TO INSERT THE BELT TONGUE INTO THE BUCKLE WITHOUT FULLY ENGAGING THE LATCHING MECHANISM. IN THIS CASE, THE RESTRAINT BELT WOULD APPEAR TO BE LATCHED, AND THE OPERATOR COULD RUN THE LIFT. IF THE RESTRAINT BELT TONGUE IS NOT FULLY ENGAGED INTO THE RESTRAINT BELT BUCKLE, AND LATCHED, THE LIFT MAY OPERATE WITH AN OCCUPANT ON THE PLATFORM.

Consequence:

THE USER OF THE LIFT COULD BE INJURED SHOULD THE LIFT MOVE WITHOUT THE RESTRAINT BELT PROPERLY BUCKLED.

Remedy:

ELKHART COACH IS WORKING WITH RICON AND RICON WILL BE HANDLING THE REMEDY FOR THIS CAMPAIGN. PLEASE SEE RICON'S DEFECT REPORT 09E-060. RICON WILL PROVIDE CUSTOMERS WITH A WARNING DECAL AND A DVD-BASED TRAINING AID. THE SAFETY RECALL IS EXPECTED TO BEGIN DURING APRIL 2010. OWNERS MAY CONTACT RICON CUSTOMER SERVICE AT 800-322-2884, EMAILING AT WWW.DMATA@WABTEC.COM.

Notes:

CUSTOMERS MAY CONTACT THE NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION'S VEHICLE SAFETY HOTLINE AT 1-888-327-4236 (TTY: 1-800-424-9153); OR GO TO [HTTP://WWW.SAFERCAR.GOV](http://WWW.SAFERCAR.GOV).

The information in your defect report appears to satisfy the requirements of 49 CFR 573.6.

We have reviewed your proposed owner letter and it meets the requirements of 49 CFR Part 577.

Please provide the following additional information and be reminded of the following requirements:

Please provide us with the names of the models along with the beginning and ending dates for the build date range [of vehicles equipment] affected by this recall.

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in your report, Ricon will be handling the remedy and quarterly reporting for this campaign. However, please be advised that 49 CFR 573.6 provides that the vehicle manufacturer is responsible for any safety related defect or any noncompliance in the vehicle or any item of original equipment. If Ricon's campaign is not satisfactory, you may be required to conduct a follow-up notification.

Your contact for this recall will be Delia Lopez who may be reached by phone at 202-366-9525, or by email at Delia.lopez@dot.gov, or through the office email at RMD.ODI@dot.gov. We look forward to working with you toward a successful completion of this recall campaign.

Sincerely,

A handwritten signature in black ink, appearing to be 'G. Person', with a long horizontal flourish extending to the right.
