Re: Eldorado National - California
Defect and Non-Compliance Report

Dear Mr. Smith:

Eldorado National has been notified by Ricon concerning a safety defect involving wheelchair lifts built after November 2007 inclusive. Ricon has already initiated a safety recall campaign with respect to this non-compliance. NHTSA has assigned recall number 09E-060 to the Ricon recall campaign.

Pursuant to Part 573 of Title 49 of the Code of Federal Regulations, we are hereby notifying the National Highway Traffic Safety Administration that certain buses manufactured by Eldorado National were built with Ricon wheelchair lifts that contain the defect.

As more specifically set forth below, Ricon has agreed to conduct the recall campaign involving these defective wheelchair lifts. Eldorado National will provide Ricon with a list of dealers and owners to assist Ricon in remedying the defect. Ricon will be filing the quarterly reports in connection with the recall campaign.

- A. Recall Population and Vehicle Identification. The defective wheelchair lifts supplied by Ricon have been used on the following buses:

<u>Make</u>	<u>Model Years</u>
Escort RE-A	2009
MST II	2005, 2006
Transmark	2008, 2009
XHF	2008, 2009, 2010

These buses were manufactured between November 2007 and February 2010. The total number of buses subject to this recall campaign is 34.

- B. Description of Defect. The defective wheelchair lifts are equipped with a restraint buckle that has an interlock feature designed to prevent the lift from operating if the buckle is not latched. However, if the buckle is not fully latched in the affected

- buses, the lift can operate and a wheelchair may not be adequately protected against movement, possibly resulting in injury to the wheelchair occupant.
- C. Basis for Determining that a Defect Exists. Eldorado National received notification from Ricon on March 8, 2010 that the defect with the wheelchair lifts exists.
 - D. Remedying of Defect. As set forth in the notification issued by Ricon in connection with recall campaign 09E-060, Ricon will correct the wheelchair lifts if found to be defective. The owners of the buses subject to this recall campaign will be advised to contact Ricon in order to make arrangements to have the remedy completed by Ricon. Ricon will implement the recall campaign in accordance with the procedures specified in recall campaign 09E-060. Ricon has agreed to remedy the defect without charge to the owners.
 - E. Owner Notifications. Ricon will notify the owner's of the buses on behalf of Eldorado National. A copy of the owner's notification letter is attached for approval.
 - F. Quarterly Reporting Requirements. Ricon will be responsible for filing quarterly reports in connection with recall campaign 09E-060. Because the information included by Ricon in its quarterly reports will encompass the remedying of the Eldorado National buses subject to this recall campaign, Eldorado National will not file quarterly reports to avoid duplication.
 - G. Campaign Number. Eldorado National does not have an internal campaign number for this recall. Eldorado National will use the recall campaign number assigned by NHTSA.

The enclosed information should comply with the NHTSA regulations and satisfy the obligations of Eldorado National with respect to this recall campaign. If you need any additional information regarding the participation of Eldorado National in this recall campaign, please feel free to contact me at 937-596-6849, Ext. 7363 or Tony Wayne of Eldorado National at 909-591-9557.

Sincerely,

David M. Mihalick
