RE: NHTSA Campaign Number 10V-514
2006-2008 Mitsubishi Endeavor HVAC Controller - Safety Recall SR-10-03

Dear Ms. Timian:

Due to parts availability issues, Mitsubishi Motors North America, Inc. (MMNA) will delay notifying its dealers about this recall until **November 30, 2010**. (Our original planned date was November 23.)

Initial owner notification will be on December 7, 2010. As described in our Defect Information Report, we plan to notify customers in northern states in the initial mailing, then as parts availability allows, we will subsequently notify customers in the remaining states and Puerto Rico.

If you have any questions or need additional information, please let me know.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Bennett".
