Re: Atwood range recall #10E-046

Dear Sir or Madam:

Skyline Corporation, on behalf of its subsidiary manufacturing facilities, has determined that a defect that relates to motor vehicle safety may exist in certain recreational vehicles as described below.

Pursuant to 49 CFR Part 573.5(c), Skyline hereby submits the following information:

1. Name of Manufacturer:

Skyline Homes, Inc., Homette Corporation and Layton Homes Corp., all of which are wholly-owned subsidiaries of Skyline Corporation. Skyline Corporation's mailing address is PO Box 743 Elkhart, IN 46515.

2. Vehicles Involved:

The vehicles covered by this recall are model year 2011 Skyline Recreational Vehicle Travel Trailers and Fifth-wheel Trailers.

The vehicles were manufactured between August 1, 2010 and October 8, 2010.

3. Number of Vehicles:

The total number of vehicles covered by this recall is 190.

4. Approximate Percentage of Vehicles Estimated to Actually Contain the Defect:

Skyline Corporation has identified all 190 affected vehicles. We believe that no others contain the defective appliance.

5. Description of Defect:

Some of the subject units may contain a small fracture within the line delivering gas to the oven cavity burner. A fracture may allow gas to leak, causing an unexpected build up of gas in the vehicle. This condition can lead to a fire or explosion, and poses an asphyxiation risk.

6. Chronological Summary of Events Leading to this Determination:

Skyline learned of this defect through notification from our range supplier. Skyline is not aware of any injuries or other incidents as a result of this condition.

7. Program for Remedying the Defect:

Atwood Mobile Products, LLC will send a recall notice to all owners or dealers with instructions for self inspection or with information to have a dealer perform an inspection to identify an affected range.

8. Recall Notice:

Attached please find a copy of the proposed owner and dealer notifications and the reply card which were supplied by Atwood Mobile Products LLC to be returned for self inspections performed.

Your prompt approval of this recall is requested. I can be reached by telephone at 574-294-6521 from 8:00 am until 5:00 pm EDT. My FAX number is 574-522-5257.
