**IMPORTANT SAFETY RECALL CAMPAIGN ANNOUNCEMENT**

*NHTSA Recall Campaign # 10V-021*

**Dear Jayco Dealer:**

This letter is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

**DEFECT INVOLVED**

Jayco, Inc. has decided that a defect, which relates to motor vehicle safety, exists in specific Model Year 2009 and 2010 Jayco Eagle Fifth-wheel series 351RLSA, 365BHS, 355FBHS, 341RLQS, 299RLS, 345BHS, 313RKS, and 291RLTS and Model Year 2010 Jayco Designer Fifth-wheel series 35RLSA, 37RLQS, 34RLQS, and 35RLTS. The affected units were manufactured between October 16, 2008 and September 4, 2009.

Jayco has installed as an option, on certain fifth-wheel recreational vehicles, a remote activation module for the leveling jacks. In conjunction with the vendor it was determined that in the presence of moisture the module may activate autonomously, without the use of the remote control. If the jacks were to activate while the vehicle is being towed, it could result in a traffic accident leading to property damage, injury, or death.

The remedy for the affected fifth-wheels is to install a relay which will prevent the remote module from activating autonomously in the presence of moisture. If you are unable to perform this repair, please contact Jayco Customer Service at 1-800-283-8267 for assistance.

**DEALER CAMPAIGN RESPONSIBILITY**

**We strongly suggest that you designate a manager to coordinate the recall to ensure the work is performed and documented properly, and that a warranty claim is submitted to Jayco to verify the performance of the modification. This responsibility should also include accountability for all stock units affected by the recall campaign.**

All unsold new vehicles in your possession that are subject to this campaign must be held and repaired per the service procedure of this recall campaign bulletin **before** owners take possession of these vehicles.

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. **If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall.** You may do this by sending a copy of the retail owner recall notice. In addition, Jayco encourages you to follow up with a telephone call to the customer to assist in scheduling the repairs.

Authorized Jayco dealers are to service all vehicles subject to this campaign at no charge to owners, regardless of mileage, age of vehicle or ownership, from this time forward. Recall campaigns should receive the highest priority in your shop because of the safety factor involved and work must be scheduled promptly regardless of where the vehicle was purchased.

### **OWNER NOTIFICATION**

Retail owners of record will be receiving notification of this campaign within two weeks of this dealer notification letter. A copy of the owner notification letter is attached for your review. In addition, make sure the customer signs a **recall** claim form that you must submit to Jayco for payment. The customer must sign the **recall** claim form as an indication that the recall was performed. Jayco will no longer accept recall claims that are not signed by the customer or via the TRADEROUTE system.

If you have any questions regarding this recall or instructions, please contact us on your dealer service line 1-800-283-8267.

Thank you for your assistance.

Sincerely,
