## Recall Repair Form

### NHTSA Recall Number:

Dear Valued Dealer,

This form is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

EZ Loader Adjustable Boat Trailers, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2010 EZ Loader trailer models. You have received this form as part of a kit containing the necessary parts and instructions to effectively repair one of the trailers involved in the recall.

The repair involves replacing the axle (part number 300-029232) with a new axle. In the repair kit, you will find a replacement axle, new axle-to-spring u-bolts and nuts. The repair takes approx. 30 minutes.

After you have repaired the trailer, to be reimbursed for your labor and to complete the recall process, please complete the below form and return it to:

EZ Loader Boat Trailers
