

Detroit Diesel Corporation
13400 Outer Drive, West
Detroit, Michigan 48239-4001
Telephone: 313-592-5000

Dear Equipment Manufacturer:

Detroit Diesel Corporation (DDC) and the National Highway Traffic Safety Administration (NHTSA) have determined that there is a safety concern on the exhaust systems on certain Series 60 EPA07 engines in Fire Truck applications. This Safety Recall will require reprogramming of the MCM with **v62.6.0.0** software (*or higher*) and fuel map version ZGS 114 (*or higher*).

Reprogramming the Motor Control Module (MCM) may prevent unexpected engine shutdown under certain conditions which could hamper rescue operations and place the public at risk.

Our records indicate that some of the affected engines were shipped to you. A list of those engine serials numbers is enclosed.

To help assure customer satisfaction with the equipment you have assembled with these engines, owners of these affected engines should be instructed to contact their Detroit Diesel service outlet to arrange a service date to have the necessary repairs completed.

This service will be completed at no charge to owners of all affected engines under the engine warranty or under the provisions of this Recall notice.

Instructions for the campaign have been sent to all Detroit Authorized Repair Facilities. The time necessary to modify these engines is approximately 1.0 hour.

If you wish to have Detroit Diesel notify owners of your equipment please provide the following information in an excel file:

- **Equipment Identification Numbers (related to the serial numbers of the engines corresponding to each piece of equipment)**
- **Customer Name**
- **Mailing Address**

This information can be sent to catherine.zaleski-wais@daimler.com. Otherwise, you may notify your owners by sending the attached letter. Please advise Detroit Diesel of your wishes within 30 days of receipt of this letter.

We are sorry to cause you this inconvenience; however, we have taken this action in the interest of continued customer satisfaction with both your products and ours.
