## **Parts Pre-Ordering for Detroit Diesel Campaign 10C4**

### **Parts Pre-Ordering for Detroit Diesel Campaign 10C4**

In support of upcoming campaign 10C4, Detroit Diesel is accepting orders for the service kit to be used in the campaign. This will allow a small portion of the parts to be available at repair shops when the campaign is posted, thus reducing downtime for the customer.

Orders will be released on a limited basis as the kit supply becomes available on a daily basis.

The kit can be ordered in any style (Critical, Stock, etc.). Stock orders are preferred. Note that normal shipping charge procedures will be in effect.

The service kit is part number DDE A4720700001.
