

Safety Recall Notice

*Dutchmen[®] Four Winds[®] Coleman[®] Kodiak[®] Aerolite[®] Denali[®]
Colorado[®] Grand Junction[®] Voltage[®]*

Dear Dealer:

This **Safety Recall Notice** is sent to you in accordance with the requirements of the United States National Traffic and Motor Vehicle Safety Act and The Canadian Motor Vehicle Safety Act and is important for your safety.

Siemens, in cooperation with Dutchmen Manufacturing, Inc. (Dutchmen), have decided that a defect which relates to motor vehicle safety exists in certain *Dutchmen, Four Winds, Coleman, Kodiak, Aerolite, Denali, Colorado, Grand Junction, and Voltage* brand travel trailers manufactured between June 10, 2010 and September 3, 2010. Other trailer models manufactured by Dutchmen Manufacturing, Inc. during this time period are not included in this recall.

It has been decided the Siemens and Murray one inch plug-in circuit breakers, single pole 15 and 30 amp and double pole 50 amp with a June or July date code, may have a non-conforming "spring clip" plug-in assembly that breaks or fails to provide sufficient force to maintain a proper electrical connection in the panel board. Over time, this condition could lead to excessive temperature, arcing or thermal damage at the connection point, and potential damage to the panel board's electrical insulation. Such activity may, in extreme situations, lead to fire, property damage, or personal injury.

The required action is to inspect the single 15 and 30 amp and double 50 amp breakers (if applicable) and replace it if the date code is 0610 or 0710.

The replacement parts required for this corrective action are readily available through Dutchmen Service Parts.

NHTSA Recall No. 10V-
Transport Canada Recall No. 10-

Dealers that have stock units impacted by this recall will have a list of affected units attached to this recall bulletin. If any unit on this list has been retail sold you are asked to notify the retail owner as soon as possible of this recall because their vehicle was not registered at the time the retail notice was mailed. Please immediately register any retail sold units on this list in Dutchport. **As a reminder, you are required by law to complete this recall on any stock units in inventory prior to retail sale. Any vehicle lessor receiving this notice must forward a copy to the lessee within 10 days.**

Please find attached a copy of the retail notification letter as well as the required repair procedure for this recall. In addition, instructions for claim filing have also been included.

If you have questions concerning this recall or if you need any assistance, please contact the **Dutchmen Warranty/Service Department** at 574-537-0700.

We apologize for this inconvenience; however, we have taken this action in the interest of customer safety and continued satisfaction with our products.

Sincerely,

Jerry McCarthy
Director of Service Operations
