Hello Kelly:

We should be able to submit our supplemental report / draft customer letter by early next week.

Our dealers were initially informed in late October (copy of the email sent to NHTSA's "rmd" email box); service bulletin should be issued in December.

We plan to notify all affected owners in December.

Regards/M

 Does this e-mail really need to be printed ?

Hi Martin.

What is the status of this campaign? Does BMW have a notification schedule yet?
