“The information in your defect report appears to satisfy the requirements of 49 CFR 573.6 except for the following item:

Please provide us with the beginning and ending dates for the build date range of vehicles affected by this recall.”

Pursuant to your request, due to the nature of this recall, manufacturing dates for the models affected would be from January 2 through December 31 of each model year identified with one exception being for model years 2010 which would be November 11, 2010, not December 31.

Please let me know if you have any questions or need any additional information.

Best regards,

Scott A. Pullin
